

I think the NJ Do Not Call List is a great thing. It is ridiculous how many calls I used to get from telemarketers. I DON'T WANT THEM CALLING ME!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

DO NOT overturn the NJ do not call list. We have rights as citizens. I should not have to be bothered or harassed by telemarketers!

Why would you even consider overturning this. NJ is happy, leave us alone! I thought this is supposed to be a country for the people.. by the people... Don't you have something better to be spending OUR tax dollars on!
